To All Federations

Revised Race Programme 2018

This week is Newark 21st April
Following week Huntingdon 28th April, then as per published race programme.
Could Federations please let me know asap when they want their replacement race, because race sites need to be booked.

In March of this year, Federations were sent a letter requesting that we change the race point from Burbure II to Ypres on Saturday 21st July. It was agreed that this would be a telephone vote. Only 6 Federations have contacted the UNC and they have voted unanimously that we race from Ypres on 21st July 2018.

Young Bird Racing

Saturday 8th September we will be racing from Kettering.

We have opened a Facebook page called 'The Official Up North Combine'
